

PARTNERING WITH THE MACKILLOP GROUP

The MacKillop Farm Management Group (MFMG) is a producer driven non-profit organization undertaking research and extension programmes in the "high rainfall and cool climate" region of South Australia.

Our membership base covers farming business' from Sherwood in the North, to Millicent in the south, Goroke in the east and Mount Benson in the west, and also includes the The White Clover Growers Association and South East Prime Livestock Achievers.

The aim of the MFMG is to increase the profitability and sustainability of primary production into the future and to be recognized as the leading provider of research and information relating to whole farm management in the Limestone Coast.

MacKillop is a partnership between the farming community, research and extension agencies and agribusiness. We currently have 140 farm businesses registered as members, along with over 25 sponsor businesses which cover approximately 100 agribusiness representatives. We are constantly increasing our member and sponsor base due to the increased awareness of what our group can offer to the farming community.

To provide as much value as possible for our members and sponsors we undertake several Trial projects in conjunction with various professionals in the relevant fields, produce a Research Trials results booklet, hold numerous workshops, trial results meetings, crop walks and field days through out the year.

To keep our members informed and updated we are constantly in contact via newsletter, through our website, email and personal contact.

The MFMG is run by a Management Committee which meetings bi-monthly to cover all administrative, operational and strategic matters. As the Executive Officer for the MFMG I am available to assist you as required with all sponsorship arrangements.

We currently have four sponsorship levels available

Gold \$5000 plus GST

Silver \$2500 plus GST

Bronze \$1000 plus GST

SEPLA \$500 plus GST

The benefits to you as a sponsor are detailed on the attached documents. Should you require any further information or have any queries, please do not hesitate to contact either Chairman, Ryan Milgate (mobile 0428 858 251) or myself.

We look forward to being involved with your business in the coming year.
