

2008 Trial Results

The MacKillop Farm Management Group is pleased to present their trial results for 2008.

They hope that you will refer to this publication and trust you find this information valuable.

A large number of farmers and research and technical officers have been involved in the trial

programme in 2008. The MacKillop Farm Management Group would like to thank all those involved and acknowledge that without the support of these people the trial programme would not be possible.

The MacKillop group wish to sincerely thank the host farmers who provided land on which this years' trials were conducted.

They were Ross & Helen Lutt – Wirrega,
Roger & Sue Grocock – Wirrega,
Wayne & Sally Hawkins – Frances,
Hartley & Brad Hocking and families – Conmurra,
John Cooper – Bool Lagoon, Struan & Kybybolite,
Bruce & Angela McLean and Jack and Erica Kay – Bool Lagoon
and James & Chris Gilbertson – Hatherleigh.

Thank you also must be given to our sponsors, without them we could not undertake our extensive trial programme. Our major sponsors for 2008 included the Grains Research and Development Corporation (GRDC), the South Australian Research and Development Institute (SARDI), the Caring for our Country program and the National Australia Bank.

Full copies of Annual Trial results Books are made available to Members and Sponsors of the MacKillop Group at no cost
